BACKGROUND/BASIS FOR ISSUANCE</b></div> <div>On December 09, 2022, the petitioners, Emmanuel Metellus and Marie Risselin, c/o C.J. Greene, Meryman Environmental, Inc., 10408 Bloomingdale Avenue, Riverview, Florida 33578, submitted a petition for a Formal Determination of the Landward Extent of Wetlands and Other Surface Waters. The petition was complete as of October 4, 2023, upon receipt of one electronic copy of the landward extent of wetlands and other surface waters as determined by the Department during the field inspections of January 5, 2023 and depicted on the certified survey labeled as attachment "Metellus-Risselin Family Residence" in file no. FD-41-0429280-001. Determinations of the landward extent of wetlands and other surface waters was performed using Chapter 62-340, F.A.C., as ratified under Section 373.4211, F.S. The landward extent (i.e., the boundary) of wetlands, was first evaluated by direct application of the definition of wetlands in subsection 62-340.200(19), F.A.C., with particular attention to the vegetative communities which the definition lists as wetlands and non-wetlands. For this determination the</div>	<div><b>HILLSBOROUGH COUNTY</b></div> <div>Department further utilized the wetland delineation methodology, applying reasonable scientific judgment to evaluate the dominance of plant species, soils, and other hydrologic evidence of regular and periodic inundation and saturation as identified in Chapter 62-340, F.A.C.</div> <div><b>IV. PUBLICATION OF NOTICE</b></div> <div>Pursuant to section 373.421(2), F.S., Rule 62-330.201, F.A.C., and Section 7.2.2 of the Environmental Resource Permit Applicant's Handbook, Volume 1, you are required to publish at your own expense the enclosed Notice of Proposed Agency Action (pages 6-7). The notice shall be published one time only within 30 days, in the legal ad section of a newspaper of general circulation in the area affected. For the purpose of this rule, "publication in a newspaper of general circulation in the area affected" means publication in a newspaper meeting the requirements of sections 50.011 and 50.031, F.S., in the county where the activity is to take place. You must provide an original, notarized proof of publication to the Department, Environmental Resource Permitting, 13051 North Telecom Parkway, Suite 101, Temple Terrace, Florida 33637-0926 within seven days of publication.</div> <div><b>V. RIGHTS OF AFFECTED PARTIES</b></div> <div>The Department's proposed agency action will become final unless a petition for an administrative proceeding is filed pursuant to sections 120.569 and 120.57, Florida Statutes. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action.</div> <div><b>Petition for Administrative Hearing</b></div> <div>A person whose substantial interests are affected by the Department's proposed action may petition for an administrative proceeding (hearing) in accordance with Sections 120.569 and 120.57, Florida Statutes. Pursuant to rule 28-106.201 of the Florida Administrative Code, a petition for an administrative hearing must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, any email address, any facsimile number, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action. The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000 or at Agency.Clerk@dep.state.fl.us. Also, a copy of the petition shall be mailed to the formal determination petitioner at the address indicated above at the time of filing. <b>Time Period for Filing a Petition</b> Petitions filed by the formal determination petitioner must be filed within 21 days of receipt of this notice. Petitions filed by other persons must be filed within 21 days of publication of the public notice or within 21 days of receipt of this notice, whichever first occurs. Under section 120.60(3), Florida Statutes, however, any person who has asked the Department for notice of agency action may file a petition within 21 days of receipt of such notice, regardless of the date of publication. Failure to file a petition within this period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes. Any subsequent intervention will only be at the approval of the presiding officer upon motion filed pursuant to rule 28-106.205 of the Florida Administrative Code. <b>Extension of Time</b> Under rule 62-110.106(4) of the Florida Administrative Code, a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000 prior to the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. Upon motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect, the Department may also grant the requested extension of time. <b>Mediation</b> Mediation is not available in this proceeding. 10/20/23LG 1T</div> <div><b>IN THE CIRCUIT COURT FOR MANATEE COUNTY, FLORIDA</b> PROBATE DIVISION File No. 412023CP002827CPAXMA</div> <div>IN RE: ESTATE OF SHARYN E.
